**CITY OF TROY MISSION STATEMENT:**

*Through sound and prudent leadership, the City of Troy is committed to sustaining its continued prominence as a regional hub by providing a well-balanced community for its residents, businesses and visitors, consisting of a vibrant downtown, growing economic base, strong educational environment, and plentiful recreational opportunities strengthened by public/private cooperation and grounded in financial stability.*

## DISPOSITION OF ORDINANCES AND RESOLUTIONS

**Date of Meeting: Feb. 1, 2016**

## Troy City Council Meeting

[illegible]

## MINUTES OF COUNCIL

A regular session of Troy City Council was held Tuesday, January 19, 2016, at 7:00 p.m. in Council Chambers.

Members Present: Kendall, Oda, Phillips, Schweser, Snee, Terwilliger, Tremblay and Twiss.

Upon motion of Mr. Phillips, seconded by Mr. Kendall, Mr. Heath was excused from this meeting by unanimous roll call vote.

Presiding Officer: Martha A. Baker President of Council

Others Present: Michael L. Beamish, Mayor  
Patrick E. J. Titterington, Director of Public Service and Safety  
Grant D. Kerber, Director of Law  
John E. Frigge, Auditor

INVOCATION: The meeting began with an invocation given by Mr. Kendall, followed by the Pledge of Allegiance.

MINUTES: The Clerk gave a summary of the minutes of the January 4, 2016 meeting of Troy City Council. There were no corrections or additions to these minutes. A motion was made by Mr. Phillips, seconded by Mr. Twiss, to approve these minutes. Motion passed by unanimous roll call vote.

### COMMITTEE REPORTS

Utilities Committee: Mr. Tremblay, Chairman, reported that Committee recommends legislation be prepared authorizing the Director of Public Service and Safety to advertise for bids and enter into a contract for the replacement of four effluent screw pumps at the Waste Water Treatment Plant at a cost not to exceed \$1,200,000.

Report signed by Terwilliger, Twiss and Tremblay.

Council as Committee of the Whole: Mrs. Baker reported that Council met as a Committee of the Whole after bids for the Hobart Arena Renovation and Expansion Project exceeded the authorization and Council was requested to consider increasing the project authorization to \$9,650,000. It was indicated that rebidding would likely result in even higher bids and there would be little benefit to the operation of the Hobart Arena to only do part of the project and hope to complete it at some future date. Council as a Committee of the Whole concurred that the Hobart Arena Renovation and Expansion Project should go forward and recommended that legislation be prepared to increase the authorization for the project from \$7,350,000 to \$9,650,000. So that the bid prices can be secured, emergency legislation is supported.

Regarding the addition of a second sheet of ice, the study on that addition concluded that the capital construction costs for a second sheet of ice facility would exceed \$7.6 million and, once in operation, would likely require up to a \$120,000 General Fund operational subsidy every year. Therefore, the Hobart Arena project does not include the second sheet of ice facility.

Report signed by Kendall, Oda, Phillips, Schweser, Snee, Terwilliger, Tremblay and Twiss.

CITIZEN COMMENTS: NONE.

### RESOLUTION NO. R-4-2016

RESOLUTION AUTHORIZING THE DIRECTOR OF PUBLIC SERVICE AND SAFETY OF THE CITY OF TROY, OHIO TO ADVERTISE FOR BIDS AND ENTER INTO A CONTRACT FOR THE REPLACEMENT OF FOUR INFLUENT SCREW PUMPS AT THE WASTE WATER TREATMENT PLANT

This Resolution was given first title reading.

Mr. Kendall moved for suspension of rules requiring three readings. Motion seconded by Mr. Twiss.

Yes: Terwilliger, Schweser, Phillips, Tremblay, Snee, Twiss, Kendall and Oda.

No: None.

Mr. Schweser moved for adoption. Motion seconded by Mr. Tremblay.

Yes: Schweser, Phillips, Tremblay, Snee, Twiss, Kendall, Oda and Terwilliger.

No: None.

RESOLUTION ADOPTED

## RESOLUTION NO. R-5-2016

RESOLUTION AMENDING RESOLUTION NO. R-45-2015, INCREASING THE AUTHORIZATION FOR THE HOBART ARENA RENOVATION AND EXPANSION PROJECT PORTION OF THE RIVERFRONT DEVELOPMENT PROJECT AND DECLARING AN EMERGENCY

This Resolution was given first title reading.

Mr. Kendall moved for suspension of rules requiring three readings. Motion seconded by Mr. Schweser.

Yes: Phillips, Tremblay, Snee, Twiss, Kendall, Oda, Terwilliger and Schweser.

No: None.

Mr. Phillips moved for adoption. Motion seconded by Mr. Schweser.

Yes: Tremblay, Snee, Twiss, Kendall, Oda, Terwilliger, Schweser and Phillips.

No: None.

RESOLUTION ADOPTED

ORDINANCES: None.

## COMMENTS OF PRESIDENT OF COUNCIL:

Mrs. Baker offered congratulations to retiring Fire Department staff Platoon Commander Allen Scott Gheen and Firefighter James Knick.

## COMMENTS OF COUNCIL:

-Mr. Schweser commented that about 40 persons participated in the walk on Jan. 18 in memory of Dr. Martin Luther King, Jr. He commented that additional citizens then joined the group for the program at the First United Church of Christ. He thanked the members of the King Team for organizing the event.

-In response to Mrs. Oda regarding the Sherwood Shopping Center/Foss Way commercial strip and the condition of the empty buildings, Mr. Titterington commented that staff has been advised some interior work is being done and that the owner has changed marketing agencies.

There being no further business, the meeting adjourned at 7:15 p.m.

---

Clerk of Council

President of Council

MINUTES OF COUNCIL

A special session of Troy City Council was held Tuesday, January 26, 2016, at 6:30 p.m. in Council Chambers.

Members Present: Heath, Kendall, Oda, Phillips, Schweser, Snee, Terwilliger and Twiss.

Upon motion of Mr. Kendall, seconded by Mr. Schweser, Mr. Tremblay was excused from this meeting by unanimous roll call vote.

Presiding Officer: Martha A. Baker,

President of Council

Others Present: Patrick E. J. Titterington,  
Grant D. Kerber,

Director of Public Service and Safety  
Director of Law

NOTICE OF SPECIAL MEETING OF TROY CITY COUNCIL.

The Notice of Special Meeting was read and signed. The original Notice is attached to the original minutes. The notice stated the purpose of the meeting was to consider R-6-2016, (final legislation – ODOT Bridge Deck Resurfacing Project & Paving of N. Market Street from Water Street to Staunton Road). This meeting is called by Council President Baker pursuant to Rule XXV of the Troy City Council Rules for Procedure.

COMMITTEE REPORTS:

Streets & Sidewalks Committee: Mr. Phillips, Chairman, gave an oral report that Committee met on January 26, prior to the Special Meeting of Council; noting that the City just received the final legislation from the Ohio Department of Transportation regarding an ODOT paving program scheduled for this summer that will include the redecking of the North Market Street Bridge. The City will pay 20% of the project, currently estimated at \$14,344. The project will be scheduled to start after the Strawberry Festival, and will be coordinated with the Troy Schools if the project is not completed prior to the start of the school year. To meet the planned bid date of ODOT for this project of January 28, the Committee recommends legislation be prepared to approve the final legislation for the North Market Street paving program as an emergency measure at the special meeting of Council.

RESOLUTION NO. R-6-2016

FINAL RESOLUTION AUTHORIZING THE OHIO DEPARTMENT OF TRANSPORTATION PROJECT FOR THE BRIDGE DECK RESURFACING PROJECT AND PAVING OF NORTH MARKET STREET FROM WATER STREET TO STAUNTON ROAD WITHIN THE CITY OF TROY, OHIO AND DECLARING AN EMERGENCY

This Resolution was given first title reading.

Mr. Phillips moved for suspension of rules requiring three readings. Motion seconded by Mr. Kendall.

Yes: Terwilliger, Phillips, Schweser, Twiss, Heath, Oda, Snee and Kendall.

No: None.

Mr. Kendall moved for adoption. Motion seconded by Mr. Twiss.

Yes: Phillips, Schweser, Twiss, Heath, Oda, Snee, Kendall and Terwilliger.

No: None.

RESOLUTION ADOPTED

EXECUTIVE SESSION. A motion was made by Mr. Kendall to recess into executive session for discussions of preparing for, conducting or reviewing negotiations or bargaining sessions with public employees concerning their compensation or other terms and conditions of their employment. Motion seconded by Mr. Phillips.

Motion passed by unanimous roll call vote.

At 6:35 p.m. Council recessed into Executive session.

A motion was made by Mr. Kendall, seconded by Mr. Schweser, to return to the Special Session.

Motion passed by unanimous roll call vote.

At 7:04 p.m. Council returned to regular session.

There being no further business, the meeting adjourned at 7:04 p.m.

COMMITTEE REPORT  
TROY CITY COUNCIL

TO: Mrs. Baker, President of Council  
FROM: Community & Economic Development Committee  
SUBJECT: FINAL PLAT – NOTTINGHAM SUBDIVISION SECTION NINE

DATE: January 20, 2016

SUMMARY REPORT: *(To be read at Council meeting)*

This Committee met on January 19 regarding the recommendation of the Troy Planning Commission that the final plat of Section Nine of the Nottingham Subdivision be approved. The plat is in general accordance with the approved preliminary plan. There would be a total of 25 building lots.

RECOMMENDATION: *(To be read at Council meeting)*

It is the recommendation of this Committee that legislation be prepared accepting the final plat of the Nottingham Estates Subdivision Section Nine as presented, including the dedication of the right-of-way.

Respectfully submitted,

---

Thomas M. Kendall

---

John W. Schweser

---

William C. Twiss, Chairman  
Community & Economic Development Committee

DETAILED REPORT:

This Committee met on January 19, 2016, regarding the recommendation of the Troy Planning Commission that the final plat of Section Nine of the Nottingham Subdivision be approved. Also attending the meeting were Mayor Beamish, Council President Baker, Council Members Phillips, Tremblay and Terwilliger, the Director of Public Service and Safety, members of the City staff, and the developer.

This final plat is in general accordance with the approved preliminary plan. The plat was submitted by Jessica Minesinger for Nottingham Development, Inc. Other details are:

- Section Nine consists of 15.152 acres;
- There will be 25 buildable lots on 8.741 acres, and eight flood plain lots on 3.658 acres. The flood plain lots will be linked to the buildable lots but are not considered buildable. The flood plain lots will be maintained by the property owners;
- The zoning is R-3B, Single-Family Residence District, with a minimum lot size of 12,000 square feet, with actual lot sizes ranging from 12,022 square feet to 27,780 square feet;
- Fees-in-lieu of dedicated green space have been accepted by the City; and
- There is right-of-way dedication of 2.753 acres – Haverhill Drive and Loxley Lane.

RECOMMENDATION:

It is the recommendation of this Committee that legislation be prepared accepting the final plat of the Nottingham Estates Subdivision Section Nine as presented, including the dedication of the right-of-way.

Cc: Council, Mayor, Mr. Kerber, Mr. Frigge, Mr. Titterington, Clerk, staff, media

**ORDINANCE No.** 0-5-2016

Dayton Legal, Inc.

**ORDINANCE ACCEPTING THE FINAL PLAT OF  
NOTTINGHAM SUBDIVISION, SECTION NINE AND  
DEDICATING A RIGHT-OF-WAY**

**WHEREAS**, the final plat of Nottingham Subdivision, Section Nine was presented to the Planning Commission of the City of Troy, Ohio, and

**WHEREAS**, such plat involves the dedication of right-of-way, and

**WHEREAS**, such plat has been submitted to this Council for approval,

**NOW, THEREFORE, BE IT ORDAINED** by the Council of the City of Troy, as follows:

**SECTION I:** That the final plat in the City of Troy, Ohio, known as Nottingham Subdivision, Section Nine, presented to Council and now on file with the Clerk of Council, is hereby approved and accepted.

**SECTION II:** That the roadways described in the plats are hereby dedicated to a public purpose.

**SECTION III:** That the proper officials of the City of Troy, Ohio are hereby authorized to execute such plat, and authorized to file said plat for record in the Office of the Recorder of Miami County, Ohio.

**SECTION IV:** That this Ordinance shall be effective at the earliest date allowed by law.

## ITEMS OF INTEREST

**TO:** Mayor Beamish  
Mrs. Baker, President of Council  
Council Members

**FROM:** Patrick E. J. Titterington, Director of Public Service and Safety

A handwritten signature in blue ink, likely belonging to Patrick E. J. Titterington, the Director of Public Service and Safety.

**DATE:** January 29, 2016

We are providing the following for your information:

- The bid opening for the SR 55 and Fenner Road/Clopay Drive Signalization Project is scheduled for February 10. Council approved \$275,000 for this project, of which ODOT will reimburse the City \$125,000.
- The bid opening was held for the Washington Road Waterline Project was held on January 27 with 17 bids received ranging from \$444,000 to \$661,550. The contract was awarded to Finrock Construction Co., Inc. of Covington, Ohio in the amount of \$444,000. Council authorized \$760,000 for this project.
- The bid opening was held for the concession operations for the Duke Park Soft Ball Field and the Duke Park Football Field. One bid was received for each concession operation. These bids were forwarded to the Recreation Board for review.
- Major Project Update:
  - Sidewalk Program 8 – the work has been completed. The notice of estimated assessments was published as required. Property owners had until January 11 to object to the estimated assessments. Bills for the payment of assessment will be sent soon.
  - McKaig Road Improvement Phase 2 - the roadway was opened on November 12. Landscape walls are complete, and staff is working with the contractor on punchlist items.
  - Marina Building – interior work is progressing and is anticipated to be completed in February. The aerial walkway and exterior balcony work and structural steel installation are now underway.
  - Treasure Island Park – work continues to proceed for both the amphitheater and the shelter house with some work slowed due to the colder weather.

- Streetscape (East Main Street between Walnut and Mulberry Streets) – sidewalk reconstruction and asphalt restriping has been completed. Traffic signal bases are set and the contractor is waiting delivery of the poles which are scheduled for delivery in the spring. Temporary lighting and trees have been installed.
- City Offices will be closed on Monday, February 15 in observance of the Presidents' Day holiday. Trash collection and curbside recycling will be on schedule. Council will meet on Tuesday, February 16 at 7:00 p.m.
- Spring clean-up at Riverside Cemetery begins on March 1. All old, deteriorated, or noncompliant decorations (either on the ground or on monuments) will be removed by cemetery personnel. This includes statues, pottery, and other items that do not meet the approved Rules and Regulations for Flowers and Other Decorations. Any decorations family members wish to keep are to be removed before March 1. New decorations may be placed starting April 1, 2016.
- Other information provided by City departments is attached.

## **Operations**

### **Items of Interest**

January 29, 2016

#### **Street – including Solid Waste – Jerry Mullins, Foreman**

- Collected and transported 200 tons of residential trash since last report of 272 tons.
- Collected 747 Christmas trees and transported them to the Miami County Transfer Station for recycling.
- Salted for one small winter storm which took about 50 tons of salt leaving us with 750 tons in the barn and still 500 tons to order for the remainder of the season.
- Brined for the January 20 snow storm, which used 10 tons of salt.
- Painted and repaired barricades.
- Updated and categorized our new MSDS binders.
- Collected brush and T-bags.
- Handled two recycling complaints and eight trash complaints.
- Cleaned snow equipment.
- Repaired potholes with the infrared asphalt machine.

#### **Electrical – Brian Ferree, Foreman**

- Completed Ohio Utilities Protection Service requests as needed.
- The department troubleshot the East well field during a recent power outage.
- Repaired two lights in the entrance to the Engineering Department, and replaced a light switch in the lower level women's restroom at City Hall.
- Repaired the CO2 tank controls at the Water Treatment Plant.
- Electric was set up for a recent show at Hobart Arena.
- Continued to maintain the mini-lights in the downtown area.

#### **Water Distribution/Sewer Maintenance - Tom Parsons, Foreman**

- Marked Ohio Utilities Protection Service tickets.
- Investigated numerous high consumption alerts.
- Completed a number of work orders for Billing and Collection.
- Shut-off non-payment customers and reconnected as payments were made.
- Repaired main breaks on Maple Street and on Virginia Avenue.
- Repaired broken valve stem on 15" valve on McKaig Avenue.
- Shut water off at a residence on Trade Square and on North Market Street due to a broken line inside at both residences.
- Investigated a fire line at Clopay and installed a bypass meter on the fire line.
- Jetted and cleaned sewer at West Main and Elm to Cedar.
- Plowed snow and cleaned and salted the sidewalks in front of City facilities in the downtown area.
- Cleaned and rearranged the shop.

### **Water Treatment Plant – Jeff Monce**

- Operations Technician Jason Tron reported a low pressure reading for the WTP CO2 storage tank on January 14. Staff from the Electrical Division found that the contactor and control transformer for the vaporizer control system were defective. Repair parts were obtained and the system restored within 4 hours. A new dual-element vaporizer system is budgeted for installation this year to replace the current pressure-building unit.
- The Source Water Assessment and Protection (SWAP) committee met January 15 to discuss recent source water protection efforts and strategies. Area business leaders, engineering experts, elected officials and City of Troy Engineering and WTP Staff comprise this committee. The next meeting is scheduled for April 15.
- The USEPA Risk Management Plan resubmittal for the City of Troy WTP has been approved and certified by USEPA. The WTP will resume storage of up to four one-ton liquid chlorine containers to offset drastic price increases for chlorine. A change in chlorine suppliers will also be made to further reduce costs.
- A new 8" washwater tank isolation valve was installed in the basement piping, replacing an inoperative plug valve.
- A 100 25 hp Allen Bradley Powerflex VFD was installed at High Service Pump 3.
- Utility Service Group personnel inspected all three water towers and the WTP wash water storage tank on January 22. The current tank maintenance contract is pending assignment to Utility Services Group upon approval by City of Troy officials. The current contractor is ending its tank maintenance program.

### **Wastewater Treatment Plant – Tim Snider**

- Submitted the annual MIPP (Municipal Industrial Pretreatment Program) report to OEPA.
- Submitted the annual Sewage Sludge report to OEPA.
- Vendor was on site to perform quarterly calibration on plant gas monitoring equipment.
- UV module rehab is ongoing.
- Staff is prepping and painting valves and piping associated with the degritting process.
- Vendor was on site to make adjustments to the blower soft starts that were installed in 2015.
- Staff completed the required preventive maintenance work orders.
- Average Daily Effluent Flow for December was 4.96 MGD.
- Average Daily Effluent Total Suspended Solids for December was 13.25 MG/L with 91.0% removal efficiency.
- Average Daily Effluent C-BOD5 for December was 12.67 MG/L with 87.9% removal efficiency.

PROJ #	PROJECT	ACTIVE PROJECTS STATUS
2015-01	MIA - Troy East Main Street Downtown Streetscape (PID 93240)	ODOT will fund a portion of this project. LJ DeWeese Co., Inc. was awarded the project. Sidewalk reconstruction has been completed, and asphalt restriping completed. Contractor is awaiting delivery of the poles, which are scheduled for delivery in the spring. Temporary lighting and trees have been installed.
2014-16	Hobart Arena Renovation and Expansion	The City entered into an agreement with MSA Architects for the design of this project. Contract finalization with Monarch Construction, Inc. is in process with a preconstruction meeting occurring in the next couple weeks.
2014-17	Marina & Boathouse Renovation	The contract was awarded to Bruns General Contracting. Interior work is progresses including the front entrance doors and tiling. Balcony/deck improvements have begun with structural steel installation ongoing, and the contractor is finalizing the interiors, which is anticipated to be completed in February with the exterior work being weather dependent. Staff is working to compile a punch list.
2014-18	Treasure Island Marina & Park Improvements	The City entered into a contract with Double Jay Construction. The shelter house and amphitheater construction continues with brick work being installed at the shelter house. Work slows during the winter months.
2014-07	McKaig Road Improvements Phase 2	This phase included work from Monroe Street to Madison Street (RR tracks). McKaig Road is now open. Landscape walls are installed. punch list items are being completed.
2014-12	Extra High Service (EHS) Water Tower	Council authorized an agreement for the design of a new Extra High Service Water Tower with the firm of EMH&T. The purchase of the site along W. Stanfield Road has been finalized. Design progresses with bidding anticipated for early 2016.
2014-03	Water Regionalization Study	Council authorized a contract with RA Consultants. The City provided estimated hours for operations and administration necessary for West Milton and Miami County infrastructure. Staff continues to work with the consultant. Phase 2 of the regionalization, looking at the County as a retail customer, is being analyzed. Preliminary retail options are being evaluated.
2015-05	Sewer Regionalization Study	Council has authorized a contract with RA Consultants, LLC. The City provided estimated hours for operations and administration necessities for West Milton and Miami County infrastructure. Staff continues to work with the consultant. Phase 2 of the regionalization, looking at the County as a retail customer, is being analyzed. Preliminary retail options are being evaluated.
2015-03	Washington Road Waterline	Staff entered into an agreement with Choice One Engineering Company for the design of a water loop along Washington Road from West Main Street to West Stanfield Road. Contract was awarded to Finrock Construction Company, Inc. Contract documents have been forwarded to the contractor for completion.

**Items of Interest**  
**Engineering Department**  
**January 26, 2016**

PROJ #	PROJECT	ACTIVE PROJECTS STATUS
2015-04	Nottingham Subdivision Sewer Gravity	Access Engineering, LLC was authorized to design a gravity sewer from the Nottingham Subdivision to Piqua-Troy Road at Troy-Urbana Road. Easement requests are being coordinated with the property owners. Preliminary layout has been reviewed and the design continues. Bidding and construction will commence in Spring of 2016.
2015-10	Troy Recreational Trail Resurfacing (PID 100778)	Council approved the ODOT LPA Agreement including accepting ODOT funding and finalizing bike path easements according to federal regulations. Resurfacing is scheduled to occur SFY 2020 (calendar year July 2019). The project will be Local-Let (i.e. implemented by City Staff) and will be funded 80/20 ODOT/Troy. Staff will begin the environmental review and <u>right-of-way acquisition</u> in 2016.
2015-29	West Market Street (SR 55) and Fenner Road Traffic Signal	Choice One Engineering Co. completed the design of the signal. The City received a \$125,000 grant from ODOT for the construction of the signal. Council authorized the bidding of this project in an amount not to exceed \$275,000. ODOT reviewed and approved the plans and bids are scheduled to be opened on February 10.
2014-08	McKaig Road Improvements Phase 3	This phase includes work from Madison Street (RR tracks) alley west of Lake Street (end of Heywood Elementary property). Council authorized an agreement with LJB, Inc. to design the project, and that design is progressing. Construction is anticipated to occur for the Summer of 2016. Coordination with Troy City Schools is ongoing to <u>keep them up-to-date</u> on the construction schedule.
2015-23	North Market Street Improvements Phase 2	This phase includes work from Kirk Lane/Foss Way to Stonyridge Avenue. Staff went through the RFP process and will be <u>requesting</u> authorization from Council. Construction is anticipated to occur in 2017.
<b>ANNUAL/OTHER PROJECTS</b>		
2014-21	Sidewalk Program 8	I.F. Weber has completed the project. Property owners had until January 11 to object to the estimated assessments and no objections have been received. Bills for the payment of assessment will be sent soon.
	Sidewalk Program 2016	Sidewalk <u>quantities</u> are <u>being</u> obtained/measured for the 2016 sidewalk repair program.
	Paving Program 2016	Streets to be paved are being coordinated with Vectren Bare Steel/Cast Iron replacement program, Water/Sewer/Storm necessary improvements, and the age of the existing street. Additional information will be <u>forthcoming</u> .
96435	MIA - 55 - 11.83 Bridge Redecking North Market Street (PID 96435)	ODOT-Let and funded project. Staff is reviewing the Stage 3 documents which are approximately 90 percent designed. Project will begin construction in June 2016. The bridge will remain open but traffic will be modified with half of the bridge closed at a time. Resurfacing of North Market Street from Water Street to Staunton Road will be completed as part of the redecking project at an 80/20 cost split (ODOT/City). Council authorized the 20% estimated <u>funding</u> for the <u>project</u> to <u>proceed</u> .

**Engineering Department**  
**January 26, 2016**

PROJ #	PROJECT	ACTIVE PROJECTS STATUS
	Engineering Electronic File Reorganization	Staff has been working with an outside contractor to make the Engineering electronic files organized in such a way that all staff can have access to most documents. This will improve efficiency with document filing and is expected to reduce the volume of space necessary to keep the electronic files. Staff is re-implementing project numbers as well. Record drawings organization, personnel files clean-up, and project processes continue. P&Z files are also being organized. Project categorization and filing process is being finalized. Records retention and organization of the Zoning hard copy files are being analyzed and implemented.
2015-11	Updating City Construction Standards	Staff is working with Choice One Engineering Company to update their standards. Staff received the revised/updated standards to review and discuss, and will schedule a meeting with the consultant once comments are reviewed.
	Sensus Analytics Controlled Launch	Sensus MDM software system purchased with the upgraded meter reading system in 2008 requires updating due to age of server and lack of technical support by Sensus. Sensus proposed an upgrade from the MDM to Analytics. Since Analytics has been released full scale, Sensus offered the City a free implementation and a Controlled Launch (i.e. beta test) for two (2) months allowing the City input prior to the full scale release. A kick-off meeting occurred, but Staff is awaiting water tower contract discussions prior to attaching to the tower. Contact has been made with Caldwell Tanks, the tank maintenance contractor, and they are reviewing the additional connection requests per contract requirements.
	GPS Data Collection	Collection of data continues. Staff is obtaining OUPS markings from the Vectren gas main work occurring throughout the City.
	Sidewalk, Sewer, and Sump Inspections	Inspections are continuing to be completed as requested.
<b>SUBDIVISION STATUS</b>		
2012-08	Edgewater	Section 7 has obtained final course of asphalt, and escrow agreement will be held until final buildout of subdivision. Section 8 preliminary plat has been submitted for review and for presentation to Planning Commission.
2015-07	Halifax	Section 1 underground utilities installation and the initial course of asphalt have been installed. House construction has begun.
2007-25	Hawk's Nest	Section 2 is awaiting final course of asphalt. A punch list has been completed and forwarded to the developer.
2015-06	Nottingham	Section 7 final course of asphalt is completed. Section 8 construction has intermediate course complete and housing development will begin in the next month. Legislation to approve Section 9 will be on the Copuncil Agenda for February 1. Staff is reviewing Section 9 construction plans to provide comments to the developer.

<b>PROJ #</b>	<b>PROJECT</b>	<b>ACTIVE PROJECTS STATUS</b>
2003-35	Villages of Concord (formerly Oakmont)	Section 5 is awaiting final punch list and final course of asphalt. Due to the lack of construction progress in recent years, the City is investigating the potential of completing the subdivision via special assessment process. punch lists have been completed and will be sent to the developer in order to attempt to complete the subdivision.
2007-19	Pleasantview Estates	Section 3 is awaiting final course of asphalt. Due to the lack of construction progress in recent years, the City is investigating the potential of completing the subdivision via special assessment process. punch lists have been completed and will be sent to the developer in order to attempt to complete the subdivision. Section 4 plat has been approved. Construction has not begun.
2013-19	Stonebridge Meadows	Section 2-B final course of asphalt and has been completed. Section 3 construction has intermediate asphalt with final grading occurring for house pad elevations. Due to fill issues, the escrow ageement continues to be evaluated with the developer. The homebuilder, Ryan Homes, has contacted the City to remedy issues with the escrow agreement.

## MEMO

To: Patrick Titterington, Director of Public Service and Safety

From: Tim Davis, Planning & Zoning Manager

Date: January 27, 2016

Subject: Planning Division Update

I have attached two reports which summarize concerns that are being addressed by the Planning Division from January 12, 2016 to January 27, 2016. The first report shows all permits that were issued by the Planning Division. The report contains the address and type of permit and separates the information by each ward. There were 9 permits issued during this time period.

The second report contains the address, type of concern, and a summary of the current status of on-going issues. Both open and closed concerns are listed and are separated by each ward.

As in the past, all costs associated with the removal of trash and elimination of noxious weeds will be invoiced to the property owner. If the property owner does not pay the invoice, the cost will be assessed to the property taxes.

CEMETERY DEPARTMENT  
ITEMS OF INTEREST  
January 26, 2016

Cemetery Staff concentrated on making modifications to older equipment aimed at improving methods of operation and productivity.

Years ago cemetery staff mounted an old leaf vacuum system onto a small dump trailer. It has been very useful to the Cemetery Dept. as well as the Park Dept. and at the Aquatic Center, but was difficult to dump and clean out. Therefore, cemetery staff redesigned the box to lighten it and make the inside more accessible for cleaning.

The Cemetery staff replaced the granular spreader on our zero-turn boom sprayer with another 30 gallon tank; doubling the capacity of the system. The width of the spray boom was increased a little over 2 feet so the spraying can be done more efficiently.

A small salt spreader, the Park Department was no longer using, was fitted to our newer Gator utility vehicle so we can now do some of the salting in the cemetery instead of always calling on the Park Department or Street Department.

The new Trakmat ground protection panels, a 2016 budget item, were delivered. With its durability and improved traction, these panels are already proving to work much better than the plywood we used to use.

Other activities accomplished by cemetery personnel:

- Eight funerals
- Snow removal
- Received the new mower (budget item)
- Received the new ground protection panel carrier (budget item)
- Zero-turn mowers received annual service

David Hastings  
Cemetery Foreman
